Henry A. Laramie	1962

Selectman Member, Isaac H. Sanborn

WARRANT FOR TOWN MEETING

(L. S.) State of New Hampshire

To the inhabitants of the Town of Enfield qualified to vote in town affairs:

You are hereby notified to meet in Whitney Hall in said Town of Enfield on the eleventh day of March next, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose by ballot to serve for three years, one selectman, one trustee of Trust Funds, one library trustee and one fire ward; to serve for one year, one treasurer, one clerk, one tax collector, one highway agent, one overseer of public welfare, one police chief, one cemetery agent, two auditors and such other necessary town officers required by law to be chosen for the ensuing year.

Polls will be open at 9:30 A.M. and will not close before 6: P.M.

Article 2. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes, the sums so borrowed to be paid before the end of the fiscal year in which the debt was incurred.

Article 3. To authorize the sale or lease of any or all of such parcels of real estate acquired by the town through tax collector's deeds for non-payment of taxes, or any other deeds, and to authorize the Board of Selectmen to execute and deliver, in the name of the town, suitable deeds or leases of such real estate, subject to such conditions or restrictions as may be voted by the meeting.

Article 4. To see if the town will vote to raise the sum of $3,000.00 for State Aid Construction, to receive the sum of $3,000.00 from the state, or act thereon.

Article 5. To see if the town will vote to raise the sum of $1,028.27 for Town Road Aid and to receive the sum of $6,855.27 from the state.

Article 6. To see if the town will vote to adopt the Budget and raise or appropriate the various sums recommended and posted by the Budget committee, or act thereon.

Article 7. To see if the town will vote to raise or appropriate the sum of $500.00 to be placed in the Capital Reserve Fund dedicated to be used for the future erection of a Town Fire Station.

Article 8. (A) To see if the town will vote to accept from the Enfield Outing Club and the La Salette Shrine, bathing beach and lease on land, including all beach equipment used in 1957, located at west end of Shaker Bridge, so called, for public bathing purposes, or take due action thereon.

(B) To elect at this meeting a Recreation Commission of five citizens to serve without pay. The first two elected to serve for three years, the next two elected to serve for two years, the fifth person elected to serve for one year. 31:47 Revised Laws-1955. The Commission to have authority to accept all donations or contributions for recreation purposes and spend the same, or take due action thereon.

(C) To see if the town will vote to transfer the Capital Reserve Fund now in the name of the Planning Board, to be turned over to the Recreation Commission for beach and parking lot purposes, or take due action thereon.

(D) To see if the town will vote the sum of $500.00 to be used for public bathing beach and parking area and turn said sum over to the Recreation Commission or take due action thereon.

(E) To see if the town will vote to turn the land now owned by the town and located near western end of Shaker Bridge, so called, over to the Recreation Commission for public use, or take due action thereon.

This above article introduced in the warrant pursuant to the petition of ten or more legal voters.

Article 9. Pursuant to a petition of ten or more legal voters: - To see if the town will vote to increase the amount quoted in that article in the Budget submitted to the town meeting for it's consideration entitled "Payment to Capital Reserve Funds", by the sum of three thousand dollars, to be supplemented to the amount in Capital Reserve Funds dedicated to New Road Equipment, to enable the Selectmen, on behalf of the town, to purchase a Four Wheel Drive - Front End Loader, as a necessary equipment for highway maintenance.

Article 10. To see if the town will vote to accept $100.00 from Roxie D. Todd as a trust fund, the income therefrom to be used for the perpetual care of Edward G. and Mary L. Morse lot in the North End Cemetery.

Article 11. To see if the town will vote that, if the purposes or objects, hereinafter designated, for which appropriations for the year 1958 may have been made have not been fully accomplished during the fiscal year, then the funds so appropriated or unexpended on the unfinished portion of said object shall be placed in a Capital Reserve Fund dedicated to the purpose or object of its conception until such time as the Board of Selectmen, acting as agents for the town, shall have the opportunity or occasion for the fulfilling or completion of/or for the purposes or objects for which said appropriation was created.

The especially designated purposes for the fiscal year ending December 31, 1958, are as follows:

The net earnings of the town trucks and the shovel loader, derived from highway appropriations for replacement purposes, and also any unexpended highway funds.

Article 12. To hear the reports of agents, auditors, officers or committees heretofore chosen and pass any vote relating thereto.

Article 13. To take any vote or transact any further business that may legally come before said meeting.

Given under our hands and seal this 14th day of February, A. D. 1958.

AUDITOR'S REPORT

Enfield, N. H.
Feb. 8, 1958

Town of Enfield, N. H.

Selectmen:

We have examined the books of the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Overseer of the Poor, Fire Precinct, Road Agent, Trustee of Trust Funds, Library Trustee, Cemetery Agent and Municipal Court, and find them to be properly vouched for and correctly cast.

John H. Noonan
Roger Cattabriga
Town Auditors of 1957

HEALTH OFFICER'S REPORT

1957

I take this time to thank the people of Enfield for their cooperation in keeping the road to the dump clean and hope this will continue.

In taking your waste to the dump, in your truck or trailer, and if not in containers, please cover it up so that it doesn't fly off and clutter the roadside.

R. J. Bruce,

Health Officer

REPORT OF THE PUBLIC NURSE

Plymouth, N. H.
January 8, 1958

Office of Selectmen
Enfield, N. H.

Dear Sirs:

The following is a report of the activities conducted in the town of Enfield, by the New Hampshire Department of Health, Bureau of Public Health Nursing, for the year 1957.

Several polio vaccine clinics were held in the town. The total attendance at these clinics -- 934 -- as follows:

Salk Vaccine		
Enfield children under 20 yrs.	565	
Adults (expectant mothers)	15	
School Personnel	15	
LaSalette Seminary Students	50	
Employees of Baltic Mills	289	
Total attendance at clinics	934	
Total number receiving 3 immunizations:		
Under 5 years	127	
5 - 9 years	108	
10 - 15 years	144	
15 - 20 years	57	
Total children	436	
LaSalette Seminary students	50	
Enfield expectant mothers	15	
School personnel (each paid for cost of vaccine)	16	1956 Total
Total 1957	517	475

The Salk Vaccine clinics at Baltic Mills was made possible through the Mill. The nurse conducted the clinic in cooperation with local doctors and nurses.

August 22, 1957	1st shots	144
October 3, 1957	2nd shots	145

It was very gratifying to see mothers and fathers attending these clinics and to know that whole families were receiving the Salk Vaccine protection.

Triple Toxoid Clinics (protection against Diptheria, Tetanus and Whooping Cough):

A series of three were held in the town and the school and Whitney Hall. The total attendance at these clinics was 186.

Summary of Immunizations given:

	Triple Toxoid	
	3rd Shot	Booster
Under 5 years	8	25
5 - 9 years	6	76
Total	14	101

Smallpox Vaccinations	
Under 5 years	31
5 - 9 years	6
Total	37

My sincerest thanks to the school personnel, school nurse, Dr. Howland and Dr. Dinerman, local nurses and other members of the committee who assisted at the clinics. Enfield should be very proud of its immunization record.

Home visits have also been made in the town and assistance fiven as necessary.

Respectfully submitted,

Lois W. Barton, R.N.,
Public Health Nurse
N.H. Dept. of Health

ANNUAL REPORT OF THE LIBRARIAN

Circulation

Adult fiction	1739
Adult non-fiction	1404
Juvenile fiction	2096
Juvenile non-fiction	369
Total	5608

The Librarian wishes to again thank the many friends of the Library who this year as in many previous years have added to the number of books which the Library is able to purchase by their generous gifts. We would especially thank Miss Ruby Daggett of Hanover, New Hampshire, for her gift of some fifty books of recent fiction and non-fiction. The outstanding contribution made to historical collection was the completed manuscript by Mr. George McKenzie Roberts of Hartford, Connecticut of "Vital and Cemetery Records of the Town of Enfield, Grafton County, New Hampshire" a volume of 765 typewritten pages containing the vital statistics pertaining to all persons whose marriage, birth or death occurred in Enfield from 1761 to 1940. The compilation contains not only the usual material found in vital statistics records, but also is supplemented by information from county probate and land records, local tax lists, Federal census schedules, newspaper items, correspondence, family genealogies, Bible records, cemetery inscriptions and other sources not usually accessible to a searcher. Mr. Roberts has been years assembling this material and the result is a scholarly and highly valuable historical record of our town. The New England Historical and Genealogical Register stated in its Journal that "it is safe to say that no town in New England has so full information concerning its people as, thanks to Mr. Roberts, has the town of Enfield, New Hampshire". Only four copies of this volume were made, of which one is in the Enfield Public Library, one in the New Hampshire State Library in Concord, and one each was presented to the New England Historic Genealogical Society Library and to the New York Genealogical and Biographic Society Library.

Expenditures

FIRE WARDEN'S REPORT

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort - The rules are simple.

1. Don't burn at home - use your town dump and avoid all fire problems.

2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted material - cigars, cigarettes and matches - are completely out before discarding them. Use ash trays in automobiles.

4. Make certain that your debris, camp and cook fires are completely out before leaving them.

5. Insist that others be careful and comply with burning requirements.

6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER - the fire you prevent might be the one which could burn YOUR property.

REMEMBER - FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT UNDERTAKING

1957 Forest fire record for your town:

Number of fires 6 Acreage burned 2.2
Number of permits issued 89

Gerald Gross
District Fire Chief

Donald Crate

ANNUAL REPORT

of the

ENFIELD SCHOOL DISTRICT

Enfield, N. H.,1957

The School Board of the School District of Enfield is continuing the policy of presenting to the School District each year the financial report of the receipts and expenditures of the department and an estimated budget for the operation of the school for the succeeding year. These documents, together with the report of the superintendent of schools, constitute the School Report to the Enfield School District.

Frederick S. Merrill	1960
Archer F. Cummings	1959
Mrs. Fred P. Carr	1958

Other Officers of the School District

Treasurer	Dean E. Williams
Moderator	Daniel Gosselin
Truant Officer	Francis T. LaBounty
District Clerk	William F. Lapan
Census Taker	Marguerite Lovering
Auditor	Chester Beede
Auditor	John Noonan
Nurse	Lillian J. Champeau

SCHOOL DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

Grafton, S. S. School District of Enfield

To the inhabitants of the School District of Enfield qualified to vote in District affairs:

You are hereby notified to meet at the Enfield Village School, Enfield, on the Tenth day of March, 1958, at seven-thirty o'clock in the evening, to act upon the following subjects:

Article 1. To choose by ballot a Moderator, a Clerk and a Treasurer, each to serve one year; and a member of the School Board, to serve for three years.

Article 2. To hear the reports of Agents, Auditors, Officers or Committees heretofore chosen and pass any vote relating thereto.

Article 3. To choose Agents, Auditors or Committees necessary for managing District affairs.

Article 4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 5. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

Article 6. To transact any other business that may legally come before this meeting.

The polls will open at 7:30 p.m. and will not close before 9:00 p.m

Given under our hands at said Enfield, N. H., this
day of February, 1958.

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Enfield, New Hampshire, of which the above is a true summary for the fiscal year ending June 30, 1957, and find them correct in all respects.

Auditors:

Chester A. Beede
John H. Noonan

July 1, 1957

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Enfield:

I present herein my annual report for 1957, my fourth annual report as Superintendent of Schools in Enfield. In preparing the report, I have used freely from material submitted by Mr. Ralph Staples, Principal, in his annual report to me.

NEW PRINCIPAL

Mr. James A. Jordan resigned as principal of the Enfield Village School effective July 1, 1957. His resignation was received with regret. He resigned in order to accept the principalship of Coe-Brown Northwood Academy, Northwood, New Hampshire. Mr. Jordan served in Enfield teaching shop and mathematics from 1937 to 1940 and has been principal since 1950.

We feel that we are very fortunate in having secured the services of Mr. Ralph A. Staples as successor to Mr. Jordan. Mr. Staples received his Bachelor's Degree from the University of New Hampshire in 1948 and is working toward his Master's Degree. He has completed his course work and hopes that he will have completed all necessary work by the spring of 1958. He served in Troy High School, Troy, New Hampshire, from 1951 through June, 1957, where he taught chemistry, biology, social studies and was director of guidance. During a large portion of his last year, he was acting principal. He served for three years in the United States Navy where, as a member of the amphibious force, he took part in the Pacific invasion.

All are pleased with the way in which Mr. Staples has taken hold. We are confident that under his leadership the Enfield Village School will not only continue to progress, but also, that progress will be accelerated.

MINIMUM STANDARDS FOR SECONDARY SCHOOLS

As you are aware, the State Department of Education has set up "Minimum Standards and a Recommended Practices for New Hampshire's Secondary Schools, Grades 9 - 12". In order for a high school to be approved and thus be eligible for

State aid, it must meet at least the minimum requirements by September of 1958.

In order to determine the degree to which a high school meets the Minimum and Recommended Practices, the State Department of Education has had teams of visitors going to the high schools, making a study of them and then submitting a report. The report in regard to Enfield High School has such great significance in regard to the future of our school that I am quoting it here in its entirety.

REPORT ON VISIT TO ENFIELD HIGH SCHOOL

December 2, 1957

"On December 2, 1957, the following staff members of the State Department of Education visited Enfield High School: Mr. C. Paul Quimby and Mr. Roland B. Kimball.

The purposes of the visit were twofold: the first was to clarify what action, if any, is necessary in order to qualify Enfield High School as an Approved High School under the Minimum Standards for New Hampshire Secondary Schools which will go into effect in September, 1958; the second purpose was to identify those aspects of the school plant and program which are in need of attention if Enfield is to offer a comprehensive high school program.

Other somewhat minor recommendations and suggestions were presented verbally to Superintendent Arthur Pierce, and Principal Ralph Staples. Although they are not detailed here, it is hoped that each will be given reasonable consideration.

The staff of our Department is available to assist in any appropriate manner as the school takes steps to implement the suggestions presented in this report.

ACTION NECESSARY UNDER MINIMUM STANDARDS

1. Several time requirements established by the Minimum Standards are not now being met. In preparing the schedule for next year, the following points should be kept in mind:

a. The length of each class period, exclusive of passing time, must be at least forty-five (45) minutes.

b. The time requirements for the various subjects must meet the conditions set forth in the Minimum Stand-

ards bulletin. (See pages 11 and 12.)

2. Because the number of students enrolled in the grades which are supervised and administered by the principal exceeds 250, it will be necessary to employ a full-time principal, or the equivalent, another year.

3. In developing the teaching assignments for another year, it should be kept in mind that no teacher may be assigned more than six (6) different periods of teaching per day, nor may any teacher be assigned more than five (5) different academic class preparations per day. In the present schedule, Mrs. Lorden is assigned eight (8) periods per day of classroom teaching, and Mrs. Reagan is assigned six (6) different academic preparations. These excessively heavy teaching assignments must be corrected in next year's program.

4. The Minimum Standard requires that a school offer at least three (3) fine arts opportunities, whereas the present program at Enfield High School provides for only two (2) opportunities. Because each of the existing opportunities is in the field of music, the additional opportunity to be added next year should be in the area of art.

5. The growing enrollments may soon make it necessary to remodel and expand the high school building. In view of this, it is pointed out that the minimum standards require that if a high school which does not have an adequate library is remodeled or expanded, it will be necessary to provide for an adequate library facility.

ACTION STRONGLY RECOMMENDED

1. The present program in home economics is seriously handicapped by inadequate physical facilities. The present sewing area should be remodelled so as to provide a general homemaking laboratory permitting instruction in all phases of homemaking education. Until this is done, it would appear necessary to restrict classes in cooking and sewing to not more than ten (10) or twelve (12) students. A careful study should be made regarding the need for additional equipment.

2. Although the present school library is completely inadequate, and the real solution lies in developing a separate library facility properly equipped and available for use throughout the day, much could be done to improve the present situation. A teacher with interest and ability in school

library affairs should be given the time, responsibility, and financial support to organize and expand the library to make it a more effective part of the school's instructional program.

3. The existing physical education program is very limited. It is understood that plans are now under consideration for expanding this program to make it available to a larger number of students a greater amount of time. This will require a careful study of the equipment necessary to carry out a comprehensive physical education program so that the additional equipment is procured and available when the expanded program goes into effect.

4. There is a need for a careful study of the existing science facilities and equipment. The present science area contains limited space, limited facilities for individual pupil experimentation, no demonstration desk for the teacher, and very sparse storage facilities. In view of these problems, it is suggested that class enrollments in biology, chemistry, and physics be limited to approximately twelve (12) or fifteen (15) students.

5. It is recommended that expansion of the shop program be continued. The addition of facilities to permit instruction in the areas of electricity, welding, internal combustion engines, etc., is very desirable if a full four-year program in general shop is to be developed.

6. A careful study should be made of the curriculum and pupil services now available. It is particularly important that attention be directed to the following points:

a. The present business education program does not provide for any course at the ninth grade level, although it is understood that a general business course may be added in the coming school year. The lack of an office practice course for girls who will be doing clerical work rather than stenographic work represents a limitation in the present program.

b. The present pattern of alternating courses imposes serious limitations in mathematics, social studies, and foreign languages. It also seems to be an unwise procedure when, as during the present year, it leads to excessive class sizes in a field such as homemaking. This problem should be reviewed carefully to determine (1) whether certain courses can be offered annually rather

than on an alternating basis, and (2) to develop the most effective pattern of alternation for those courses which must be alternated.

c. It is recommended that school credit be given for successful participation in band, just as it now is for participation in glee club.

d. There is a need for an expanded program of pupil guidance services. In a school as large as Enfield High School, it is appropriate to have a half-time person specifically assigned as a guidance counsellor for grades 7 - 12.

e. Several additional courses could profitably be offered. Consideration should be given to such possibilities as an elective course in speech, a third year of French, and another elective course in social studies field."

(signed)
Roland B. Kimball,
Director Secondary
School Services

This means very briefly the following:

1. The principal must be full time or the equivalent. This can be handled by releasing a teacher one period a day to do administrative work that the principal would otherwise have to do. The principal, Mr. Staples, as the only one qualified to handle chemistry will continue to teach it.

2. The teachers' loads must be lightened, for in the academic subjects they may have only five preparations a day and in the practical art subjects, only six preparations a day. In order to meet this requirement and the requirement mentioned in No. 1, it will be necessary to employ an additional teacher for the school year 1958 - 59. Provision for this is made in the School Board budget.

3. The minimum length of class will have to be 45 minutes exclusive of passing time. This means that school will have to start 15 minutes earlier and get out 15 minutes later or else cut the lunch period by 15 minutes. This matter is being given study.

4. The program of studies for the school meets the minimum standard with the exception that one art course must be offered and one course is electricity. The art course can be arranged with Mrs. MacGinnis. The electricity course can be arranged with Mr. Nyhus. This will, however, require additional shop equipment. Provisions for that equipment are included in the 1958 - 59 budget.

OVER-CROWDING

I have previously discussed over-crowding in future building needs. For the school year 1958 - 59, we will have enough rooms for the high school program if we continue to use the rooms now assigned. The elementary grades, however, present a very real problem. The present situation and that predicted for 1958 - 59 are shown in the following table:

	Dec. 20, 1957		Estimate of 1958-59	
Room No.	Total Pupils	Grades and No. Pupils Included	Total Pupils	Grades and No. Pupils Included
1	35	I - 35	36	I - 36
2	33	I - 12, II - 22	35	II - 35
3	32	II - 22, III - 10	30	II - 6, III - 24
4	34	III - 34	29	III -19, IV - 10
5	37	IV - 37	33	IV - 33
6	22	V - 22	33	V - 33
7	25	V - 25	21	VI - 21
8	31	VI - 31	22	VI - 22
Total - Gr. I - VI	249		239	
Grade VII	38		31	
Grade VIII	30		30	
Total - Gr. VII-VIII	68		61	
Grade IX	30		28	
Grade X	23		29	
Grade XI	22		21	
Grade XII	15		20	
Total - Gr. IX-XII	90		98	
Total - Gr. I - XII	407		398	

Many of the above rooms are too large, particularly where there are two grades to a room. We cannot expect that any teacher can do the effective job with individuals that we would like to have her do or that she would like to do.

Members of the School Board, of the School Staff and Citizens of the community are making a study of the situation. They are conferring with representatives from other communities. An answer will have to be found in the not too distant future. Some of the alternatives are as follows: (1) Build an addition to the present school plant to provide more elementary rooms. When this is done, the state will probably require that we also provide a library for the High School. Furthermore, it is very important that the shop, home economics, science, and commercial facilities be improved. (2) Go into a consolidated school district with other communities. This is being carefully studied and particularly with Canaan. It now seems apparent that Lebanon would not be interested in the Consolidated School District for some time to come. (3) Send the Enfield High School students to some other school district on a tuition basis. (4) Build a new Enfield High School, leaving the present building for the elementary grades.

THE SCHOOL PROGRAM

Physical Education

At present the physical education program is quite meager. Mr. Colligen is carrying on classes to the extent possible. We hope that next year we may be able to offer a minimum of one period a week for physical education for each high school student. The school shop has been very helpful in building physical education equipment.

The Guidance Program

The guidance program is in the process of being reorganized. A minimum testing program which includes intelligence, achievement, preference and vocational tests is being given. An occupational information library is being assembled for the use of the pupils. A new course in group guidance at the eighth grade level has been introduced.

The Library

The library is extremely meager. A start has been made in purchasing new books and reference material. Furthermore,

considerable help is coming from the community. We hope that many new books may be purchased next year and that one of the teachers can be assigned responsibility of the library. The library can be and should be the heart of the school.

New Courses to be Offered in 1958 - 59

It is hoped that next school year we will be able to offer a course in electricity, a course in Junior Business training, and an office practice course for clerical work. The additional work in art has already been mentioned.

Remedial Reading

At present the remedial reading program is helping 36 children each day. The intent of the program is to help the child reach his own grade level and return to his regular class. To do this, use is made of the tachistoscope to develop speed and accuracy in reading and to increase the child's eye span. Use is also made of the "Building Reading Skills" series to aid in phonics and to develop a better "sound" sense.

The Class of 1957

The members of the class of 1957 of whom we have record are now occupied as follows:

Married	4	Keene Teacher's College	1
Navy	4	Nurse's Training	1
Retail Store	5	Clark University	1
Mill	2	Secretary	1
Army	1		
Air Force	1		

Professional Improvement

I am pleased to report that the following teachers have taken professional improvement courses during the year as follows:

James Colligen - Curricular Trends in Jr. and Sr. High - Harvard; Boston University Extension at Lebanon

Martha Armstrong - Music Education - University of New Hampshire Extension, Children's Literature - Plymouth Teachers' College

Cora Pellerin - Music Education - University of New Hampshire Extension, Children's Literature - Plymouth Teachers' College

Amy Bond - Modern Developments in Science - Plymouth Teachers' College Extension

Karl Nyhus - General Metals, Supervision of Industrial Arts - Keene Teachers' College, Basic Electronics - Keene Teachers' College Extension

The School Plant

The major work done in the school building during the year is as follows: (1) Alterations in the school basement to provide a women's teachers' room. This was a very much needed improvement. (2) Installation of showers for the girls. (3) Alterations in the basement to provide a room for remedial reading. This was done in order to free the room that had been used for remedial reading for a regular elementary class. The basement room is small and has disadvantages, but will serve the purpose until a better room can be made available.

Immunization Clinics

I think that the people of Enfield will be interested in the following report of clinics held by the New Hampshire Department of Health, Bureau of Public Health Nursing in cooperation with the School Nurse:

Total attendance at clinics 934

SALK VACCINE

Enfield children under 20 years	565
School Personnel	15

Salk Vaccine immunizations completed

Under 5 years	127	39 other children completed 3 polio shots in 1956 - total now having 3 shots - 475
5 - 9 years	108	
10 - 15 years	144	
15 - 20 years	57	
Total	436	

TRIPLE TOXOID IMMUNIZATIONS - Total attendance 189

	3rd shot	Booster shot
Under 5 years	8	25
5 - 9 years	6	76
Total	14	101

SMALLPOX VACCINATIONS

Under 5 years	31
5 - 9	6
Total	37

Conclusion

In concluding, I want to thank the members of the School Board, the members of the School Staff, and the people of Enfield for their support and cooperation.

Respectfully submitted,

Arthur E. Pierce
Superintendent of Schools
